

WORKSHOPS FOR PARENTS

We are pleased to be offering so many inspiring events this year.

We hope you can join us!

All events are at Oakland Steiner School and are open to the public.

“Tots and Teens and Techy Things” January 23 - 7:00-8:30 pm

We want our children to know about all of the wonderful high tech tools available but we also want them to know that there are other ways to communicate and to learn. Dr. Sian Owen Cruise will guide us through information about the usage of the many media forms as they relate to childhood development, communication skills and learning. Sian has many years experience as a teacher and administrator and is a highly respected and sought after mentor for teachers and administrators throughout the United States. This workshop is FREE - no reservations required.

“Painting on Silk” February 8 - 12:30 - 3:00 pm

Back by popular demand! Take home a lovely silk scarf that you have created. Mary Tassone, talented artist and inspirational teacher, will teach us how to dye silks and use some wonderful techniques to paint on silk. All supplies included for a cost of \$30. Payment due day of the workshop. Space is limited. Reservations required - call 248-299-8755 to reserve your spot.

“Taking Play Seriously” March 7 - 7:00-8:30 pm

Jeff Tunkey will show us how movement and balance are a foundation for academic progress. Be prepared to have fun and be active with us. We are very fortunate to have Jeff with us - he is a nationally recognized clinician and speaker on this topic. Visit Jeff’s web site to learn more: www.movementforchildhood.com. This workshop is FREE - no reservations required.

“Literacy in Learning” May 13 - 4:30-5:30 pm

This workshop will provide you with methods to help your child love to read and retain what they read. Margot Amrine, a teacher with vast experience and also director of the Waldorf Institute of Southeast Michigan, will guide us through the three sections of literacy: decoding and writing, understanding meaning and context, and the ability to pay attention and follow stories. This workshop is FREE - no reservations required.
